FINDING THAT THE PROPOSED SUBDIVISION MAP OF 237 ARGUELLO STREET IS CONSISTENT WITH THE MASTER PLAN, AND DISAPPROVING ACTION OF DIRECTOR OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH, SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, A tentative map for a 15-unit condominium subdivision at 237 Arguello Street was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

237 Arguello Street, Lot 7 in Assessor's Block 1361; and

WHEREAS, On February 8, 1979, after a public hearing, the City Planning Commission adopted Resolution No. 8175, finding the condominium subdivision to be not consistent with the Master Plan, as the development would decrease the availability of the rental housing stock of the City; and

WHEREAS, On February 13, 1979, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 8175; and

WHEREAS, On February 13, 1979, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, March 5, 1979, at which time the matter was continued to the Board of Supervisors' meeting of April 2, 1979, when it was further continued to the Board meeting of April 30, 1979; and

WHEREAS, On Monday, April 30, 1979, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

WHEREAS, On Monday, May 7, 1979, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition 1.

The sales program for the project shall promote affirmative action in housing, as required by Section 1342 of the Subdivision Code.

Condition 2.

The subdivider shall comply with any applicable temporary, permanent, and low and moderate income relocation requirements of sections 1385(e), 1385(f), and 1385(g) of the Subdivision Code.

Condition 3.

The subdivider shall obtain from all corporate tenants, occupying units under the executive rental program, waivers of the contractual right to purchase the converted units under the Subdivision Code and the Subdivision Map Act.

Condition 4.

Except as provided in Condition No. 3, the present tenants of any unit to be converted shall be given a non-transferrable right to

JUN 19 197

purchase the unit occupied, as required by Section 1385(d) of the Subdivision Code. A right to purchase any one of the remaining units, not otherwise purchased or leased by present tenants, shall be extended, first, to former tenants of the subdivider who involuntarily relocated their premises and, second, to former tenants of the subdivider who voluntarily relocated. The manner of giving notice and the period in which a former tenant may exercise the right provided herein is specified in condition No. 8.

Condition 5.

The subdivider shall provide ten percent (10%) secondary financing to any qualified tenant or former tenant purchaser of a converted unit.

Condition 6.

Except for executive rental program tenants, the subdivider shall offer to the present tenant a lease of that tenants' unit for any term of the tenant's choosing, at current rents subject to annual increases based on the Housing Component of the Consumer Price Index. Such leases shall provide that no subletting of the premises nor assignment of the lease shall be permitted. The option of present tenants to lease shall be exercisable within sixty (60) days from the date of recordation of the Final Map.

Condition 7.

The subdivider shall provide a similar right to lease to any former tenant of the subdivider who involuntarily vacated the premises but only to the extent units remain following the exercise of all tenant rights to purchase converted units and the right of present tenants to lease their units. In addition, the subdivider shall pay the actual expenses of any such tenant incurred in relocating to the project.

Condition 8.

Notice of the rights granted hereunder to any former tenant shall be deemed given by sending a copy of this resolution, registered mail, to the last known address of such tenant. Failure of any such tenant to notify the subdivider's escrow holder of that tenant's election to exercise any right granted hereunder within sixty (60) days of such mailing shall be deemed a waiver of all such rights.

Condition 9.

Except as to those tenants under the executive rental program, the subdivider shall allow tenants to remain in their units at present rents until January 1, 1980.

Condition 10.

Except as to those tenants under the executive rental program, the subdivider shall provide tenants reimbursement of up to $1,000 in moving expenses for relocation within the San Francisco Bay Area.

Condition 11.

The subdivider shall extend to all non-purchasing tenants, aged 62 or older at the time of recordation of the Final Map, a lease whose term shall expire only upon the death of such tenant or at such time as the tenant voluntarily vacates the unit after giving due notice of such intent to vacate. Rent charge during the term of the extended lease shall not exceed the present rent, subject to annual increases based on the Housing Component of the Consumer Price Index.

FILE NO. 12-79-26 RESOLUTION NO. 751-79

OPPOSING AB 787 RELATING TO THE NATIONAL FOOTBALL LEAGUE

WHEREAS, The Los Angeles Rams professional football team of the National Football League has announced its intention to move from the Los Angeles Memorial Coliseum when their lease expires at the conclusion of the 1979/80 football season; and

WHEREAS, The Los Angeles Coliseum Commission was unable to negotiate a new lease with the Rams thus causing the Rams to seek another playing facility, ultimately chosing Anaheim Stadium; and

WHEREAS, Assembly Bill 787 has been introduced in an effort to either keep the Rams in Los Angeles or to force the National Football League to locate a replacement team for the Los Angeles Coliseum; and

WHEREAS, AB 787 provides that should the Rams leave the Los Angeles Coliseum when their lease expires and should the National Football League not provide a replacement team for the Los Angeles Coliseum the State of California will have the authority to prevent the National Football League and all of its member teams from the playing of professional football within the State of California; and

WHEREAS, As a result, the San Francisco 49ers could be prohibited from playing professional football at Candlestick Park resulting in the loss of substantial monies to the City and County of San Francisco, the loss of substantial numbers of jobs directly related and anscillary to the playing of professional football, and the loss of a major recreational outlet for the people of our City; and

WHEREAS, AB 787 applies to all professional sports with the exception of baseball, which is pre-empted by federal law, and would mean that San Francisco might never be considered as a home for professional sports since AB 787 serves to "freeze" franchises in their current playing facilities in perpetuity; now, therefore, be it

FINDING THAT THE PROPOSED SUBDIVISION MAP OF 1817 CALIFORNIA STREET IS CONSISTENT WITH THE MASTER PLAN, AND DISAPPROVING ACTION OF DIRECTOR OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH, SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, A tentative map for a 57-unit condominium subdivision at 1817 California Street was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

1817 California Street, Lot 18 in Assessor's Block 648; and

WHEREAS, On April 12, 1979, after a public hearing, the City Planning Commission adopted Resolution No. 8221, finding the condominium subdivision to be not consistent with the Master Plan, as the development would add to the cost of housing and would have an adverse affect on the economic and racial composition of the City; and

WHEREAS, On April 13, 1979, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 8221; and

WHEREAS, On April 17, 1979, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, May 7, 1979, at which time it was continued to the Board meeting of Monday, May 21, 1979; and

5/29/79 al

WHEREAS, On Monday, May 21, 1979, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

WHEREAS, On Tuesday, May 29, 1979, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition No. 1:

Developer shall provide a lifetime lease to each tenant over 62 years of age or over, and the permanently disabled: at the present rental rate; provided, however, that rental rate may be increased by a percentage equal to the then current percentage increase in the Housing Component of the Consumer Price Index relating to rent costs, if any.

5/29/79 al

Condition No. 2:

Developer must offer units to tenants within a period of sixty (60) days following date of State Subdivision Report.

Condition No. 3:

Each tenant may continue to occupy his unit until such time as said unit is sold, on the same rental terms and conditions presently in effect, except that there may be an increase based on any increase in the Housing Component of the Consumer Price Index with respect to rent.

Condition No. 4.:

Prices at which units are offered to tenants in residence shall

be set at maximum of amount set in application for condominium conversion, as amended by the sales prices set for moderate-income priced units, in letter of Mr. Edward J. Wynne, Jr., Attorney for the Developer, dated May 1, 1979, contained in Board of Supervisors' file No. 59-79-6.

Condition No. 5:

5/29/79 al

If any such moderate-income unit is not purchased by the present resident thereof, right of first refusal shall be granted on a fair and equitable basis to other tenants of low and moderate-income households in the building at the same price.

5/29/79 al

Condition No. 6:

Any present tenant not desirous of purchasing a unit and who wishes to relocate shall be given six months to do so from date of Final Map approval, and will be given a relocation fee of $1,000 to defray moving expenses.

Condition No. 7:

The units shall be offered for sale to present tenants of the units promptly after issuance of the Department of Real Estate report, at a discount of 10% from the prices at which offered to the general public.

Condition No. 8:

If, from time to time, prices at which units are offered for sale are reduced, the units shall be offered to the tenants at reduced prices before they are offered at the reduced prices to the general public.

Condition No. 9:

If a tenant-purchaser offers the purchased unit for sale within two years from date of purchase, the developer shall be entitled to buy back the unit at the original sale price, plus the percentage increase shown in the Housing Component of the U.S. Consumer Price Index, if any.

Condition No. 10:

Offers to tenants shall be in writing, shall be effective upon receipt by the tenants, and shall remain open for at least sixty (60) days thereafter.

and be it

WHEREAS, On May 3, 1979, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works which imposed the following condition of the City Planning Commission on approval of said tentative map:

"II. Tenant Intent to Purchase

"A. The application for a Parcel Map or Final Map shall not be accepted for filing unless there are substantial numbers of tenants who have indicated their intent to purchase their rental unit, as evidenced by the submittal in writing by no less than sixty-six and two-thirds percent (66-2/3%) of the

tenants of unit reservations forms of the State Department of Real Estate, and of intent to purchase forms to be developed by the Department of City Planning, together with a reasonable deposit in connection therewith placed in a neutral escrow depository. Evidence of lifetime leases to the elderly or permanently disabled, pursuant to Condition No. III, may be substituted on a one-for-one basis with evidence of tenant intent to purchase.

"B. The subdivider shall accompany this submittal with a final list of the proposed sales prices to tenants for each unit, in general conformity with Conditions No. 1, in order that the final prices to tenants can be established as a condition of approval of the Parcel Map or Final Map, replacing those preliminary prices established by Condition No. 1.

"C. Tenants shall have until the time of approval of the Parcel Map or Final Map by the Board of Supervisors to withdraw their unit reservation forms; the Parcel Map or Final Map shall not be approved if tenant intent to purchase, as evidenced by the unit reservation forms and intent to purchase forms or required lifetime leases, is less than sixty-six and two-thirds percent (66-2/3%)."

condition; and, be it

Condition No. 1.

AUTHORIZING RELEASE OF SAN FRANCISCO UNIFIED SCHOOL DISTRICT REVENUES LEVIED UNDER ORDINANCE NO. 403-78, FILE NO. 74-783.1, FOR REPAYMENT OF STATE EARTHQUAKE PROTECTION LOANS.

WHEREAS, At the Special Bond Election of November 6, 1973, the voters of San Francisco approved Proposition A, authorizing the San Francisco Unified School District to incur an indebtedness in the sum of $55,870,000, said amount to be raised by the issuance of bonds in the sum of $37,826,000, and the remainder in the sum of $18,044,000 to be secured through the acceptance of repayable loans apportioned to the School District by the State of California; and

WHEREAS, Pursuant to said Proposition A the San Francisco Unified School District has incurred a voter-approved indebtedness to the State of California as and for repayable earthquake protection loans in the sum of $17,086,812.14, under contract to repay the principal amount of said loans and the accrued interest thereon in 20 equal annual payments; and

WHEREAS, On September 15, 1978, this Board of Supervisors, pursuant to request of the County Superintendent of Schools, adopted Ordinance No. 403-78, levying a tax for the annual installment of the earthquake protection loans due and payable for fiscal year 1978-79, and did thereupon, out of an abundance of caution, adopt a resolution directing the Controller to place a hold on all funds intended for allocation to the San Francisco Unified School District for use in repaying State earthquake protection loans until receipt of an order by a court of competent jurisdiction directing release of the funds or until the receipt of further instructions in this matter from the Board of Supervisors of the City and County of San Francisco; and

WHEREAS, On advice of the City Attorney it clearly appears that: (1) repayable State earthquake protection loans apportioned to the San Francisco Unified School District constitutes legally binding contracts between the State of California and the School District; (2) such obligation constitutes a voter-approved indebtedness within the meaning of Section 1(b) of Article XIIIA of the California Constitution; and (3) this Board of Supervisors on request of the County Superintendent of Schools, is authorized to levy a school tax in an amount sufficient to repay annual installments of State earthquake protection loans apportioned to the San Francisco Unified School District; now, therefore, be it

RESOLVED, That the resolution heretofore adopted by this Board of Supervisors on September 15, 1978, directing the Controller to place a hold on funds for repayment of State earthquake protection loans be, and the same is, hereby rescinded; and

OPPOSING ENACTMENT OF SB 888, RELATING TO BINDING ARBITRATION FOR LOCAL SAFETY EMPLOYEES.

WHEREAS, SB 888 requires final and binding arbitration by a three-member arbitration board on request by either party for police officers and firefighters; and

WHEREAS, The process is "final offer" arbitration on unresolved issues with possible alternative last offers; and

WHEREAS, SB 888 finds and declares that compulsory and binding arbitration is the appropriate method for resolving disputes leading to strikes by firefighters and peace officers, includes no provision for reimbursement of local government costs by the State, and contains an SB 90 disclaimer, noting that a disincentive to agreement would exist if all costs incurred through arbitration and awards of arbitrators would be fully reimbursed to the local agency; and

WHEREAS, Although SB 888 specifically prohibits strikes, under present law firefighters are already statutorily prohibited from striking and police officers do not have the right to strike pursuant to judicial decisions; and

WHEREAS, Arbitration will not prevent strikes because safety officers still could strike in violation of an arbitration award; and

WHEREAS, Mandated arbitration removes local authority to make decisions affecting the community and vests what amounts to a "tax rate setting" authority in an arbitrator; and

WHEREAS, Arbitration is the antithesis of good faith bargaining since a settlement is decided by an arbitrator, not the two parties; now, therefore, be it

ENDORSING AND SUPPORTING UNITED FARM WORKERS OF AMERICA, INC., AFL-CIO, IN ITS BOYCOTT OF CHIQUITA LABEL BANANAS AND NON-UNION ICEBERG LETTUCE.

WHEREAS, Farm workers have traditionally been the lowest paid workers in the United States labor force; and,

WHEREAS, Farm workers, in their quest to seek economic justice and equality in wages and working conditions as enjoyed by other workers in organized industries, formed themselves into a labor union known as United Farm Workers of America, AFL-CIO (hereinafter UFW), under the leadership of Cesar Chavez; and,

WHEREAS, The UFW, through the process of collective bargaining, has negotiated hundreds of contracts for the benefit of its farm workers, however, said farm workers are still the lowest paid organized and skilled work force and consequently, exist at an economic substandard of living; and,

WHEREAS, Existing conditions in the agricultural fields lead to and breed poverty, ignorance, lack of opportunity, degradation of the human being and frustration, which not only directly affect the farm workers' families, but also exacerbate the problems of the cities to which these farm workers migrate; and

WHEREAS, In an effort to obtain a more livable wage in these inflationary times, the UFW entered into collective bargaining negotiations for its workers in the lettuce industry; and

WHEREAS, The grower representatives, while acknowledging that the wages of farm workers are substantially lower than other organized workers, have insisted on maintaining labor negotiations by restricting their offer to the 7% wage and price guidelines established by the Carter Administration despite the specific exclusion of the agricultural industry and its workers from provisions of said guidelines; and,

WHEREAS, After the UFW had entered into contract negotiations with the grower representatives for approximately two months and beyond the expiration of their contract, said grower representatives declared that they would not negotiate any contract higher than said 7%, therefore, the farm workers had no alternative but to withdraw their labor and commence a peaceful strike and through said peaceful placement of picket lines, succeeded in shutting down all fields and companies; and,

WHEREAS, In an effort to break the strike, the growers recruited school children, and friends in an attempt to harvest struck lettuce fields; initiated assaults upon pickets; intimidated pickets by the use of heavily armed private security guards; and most recently some of these growers have illegally imported or harbored large numbers of undocumented aliens to harvest the lettuce and thereby break the farm worker's strike; and,

WHEREAS, As a consequence of the attempts by the growers to break the strike, a farm worker/striker, Rufino Contreras, a twenty-seven years old father of two small children was shot to death by employees of a struck ranch on February 10, 1979; and,

WHEREAS, As in the past, collective bargaining has not brought about its intended results for farm workers, the UFW are therefore, turning to their friends, the American public, and asking that they join in a boycott of Chiquita Label Bananas (produced by United Brands Company, owner of Sun Harvest, Inc., the nation's largest lettuce grower) and non-union iceberg lettuce; and,

WHEREAS, The boycott has gained wide support from church groups, consumers, students, ethnic minorities and the labor movement in general, the farm workers now seek the help and support of the People of San Francisco, who have traditionally supported their

seventeen year struggle for dignity and justice for America's farm workers; and,

WHEREAS, The Agricultural Labor Relations Board of the State of California has issued citations against Sun Harvest, Inc., and other lettuce producers for "failing and refusing" to bargain in good faith with the farm workers; therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco endorses and supports the United Farm Workers of America, AFL-CIO, boycott of Chiquita Bananas and non-union lettuce until such time as the growers return to the negotiating table and negotiate acceptable contracts; and be it

FURTHER RESOLVED, That the Board of Supervisors urges all San Franciscans to observe the boycott and refrain from purchasing Chiquita Label Bananas and non-union iceberg lettuce; and be it

FURTHER RESOLVED, That Her Honor The Mayor, Dianne Feinstein, is requested to circulate copies of this resolution to the Chief Administrative Officer of the City and County of San Francisco and request that he and his subordinates adhere to the policy of this resolution; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to the United Farm Workers of America, AFL-CIO, the United Brands Company and representatives of other lettuce growers, The Honorable Edmund G.
